Mr. Drobina said everyone should have received a copy of the final plat for Springcreek Section 3 Phase 2. All the items have been corrected such as the curve data for C41 was added to page 3. Note "E" for Reserve B has been updated as requested. The total acreage platted and unplatted for Reserve B is 5.061 acres including .25 acres removed from lot 278 for storm water management purposes.

Mrs. Wilde asked what everyone can see online. She apologized for not being able to see as she explained we are in the process of fixing that.

Mr. Dunlap said this will be available in our office if anyone wants to come in and look at it.
